Important Tour Information:

Book Now rates valid until Jul 14, 2027, valid on air inclusive packages only.

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Travel with a maximum of 210 travelers while cruising on the *Ventus Australis*. While you will be joined by other travelers on the ship, your dedicated Tour Manager will be with your group for the entire journey.

Travel with an average of 19 people (maximum of 24).

All shore landings excursions to/from the ship are by small boats called "Zodiacs," which requires a level of fitness to board and disembark these inflatable crafts.

Travelers should consult their physician should they have any concerns regarding their physical condition. In some cases, the terrain can be a little

strenuous. At all times you are accompanied by expedition staff. It is recommended that you bring hiking boots for specific excursions.

****Hikes of varying difficulty will be offered during each of the landings. Details of the length, terrain and difficulty will be provided by the ship's crew.**

If you require any special assistance while on tour, please make us aware at the time of reservation so the necessary request form can be sent to your attention.

While aboard the *Ventus Australis*, you may occasionally encounter temporary disruptions in cruising conditions. This may occur on any departure due to quickly changing weather in the region and itinerary routing. If present, this is typically encountered the second evening when exposed to open waters on the Pacific and the third evening as we encounter southern currents. This would be most likely to occur during sleep (between 12:00 a.m. and 6:00 a.m.) and can last from 1 to 3 hours at times. You may expect to feel pronounced vertical or horizontal rocking. Your ship's crew will give a thorough briefing once aboard on what to expect during your journey as well as some pointers on navigating these areas if you are prone to motion sickness. If anticipated, the ship's crew may recommend placing electronics on the floor of the cabin to avoid slipping off surfaces. Please consult with a physician on the use of anti-nausea medications for your journey if you plan to carry them with you.

All shore landings are dependent on weather and sea conditions, and at the discretion of the cruise line. Due to unpredictable sailing conditions or National Park directives, all of the timing and landing details featured in the cruise portion of your itinerary are subject to change. Wildlife sightings are not guaranteed.

*In September and April - when the penguins dwell elsewhere - this excursion is replaced by a short walk to a glacier at nearby stunning Brookes Bay.

*****Cape Horn landing is strongly dependent on weather and sea conditions.**

Cruise ships have a limited quantity of cabins available in each category. Every effort will be made to accommodate your cabin choice at time of booking. If the preferred cabin category is not available at time of booking, the next closest category will be offered and a surcharge may apply. Cabin category choices are: Cabin A (second deck), Cabin AA (third deck), Cabin AAA (fourth deck), or Cabin AAA Superior (fourth deck with larger room). Cabin availability is first come, first served and upgrade pricing will apply.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability. Triple rooms are not available.

9 Meals: 5 Breakfasts, 2 Lunches, 2 Dinners

Day 1: Overnight Flight

You're on your way to Santiago, Chile, kicking off an adventurous pre-tour extension featuring Easter Island, known for the *moai*, the legendary monolithic statues carved in stone.

Day 2: Santiago, Chile

Arrive in Santiago, the vibrant 500-year-old capital city nestled in a valley of the Andes Mountains. This afternoon, meet your fellow travelers for a panoramic tour of Santiago with a local guide. Take in the charming character of the city, getting a look at the city's blend of modern and colonial architecture and learning about its diverse history. Tonight, toast to the beginning of your adventure at a local restaurant. *Today dinner will be included.*

Day 3: Santiago - Easter Island (Rapa Nui)

Today, set off for Easter Island, known locally as Rapa Nui. Discover the island famous for its stone statues, or *moai*, erected hundreds of years ago by the Rapa Nui people and positioned on stone platforms called *ahu* all around the island. After a morning flight over the Pacific, embark on a half-day tour with a local guide. Marvel at the *Ahu Akivi*, with the seven *moai* facing the ocean said to represent the explorers sent by the king, Hotu Matu'a. Visit *Ahu Huri Aurenga*, where the single statue aligns to the winter solstice sunrise. Conclude at *Puna Pau*, the quarry for the red scoria stone used for the *pukao*, or topknot, representing the hair of the *moai* statues. Later, settle in at your hotel and enjoy the evening at leisure. *Today breakfast and lunch will be included.*

Day 4: Easter Island (Rapa Nui)

Continue your adventure along Easter Island's south coast to *Ahus Vaihu* and the reconstructed village in the Bay of *Hanga Te'e*. Visit *Akahanga*, believed to be the burial site of the king Hotu Matu'a, and see *Rano Raraku*, the primary quarry for the island's *moai* statues — where 397 still remain in various states of completion on the volcano slopes. Discover *Ahu Tongariki*, the island's largest restoration with 15 mighty *moai* statues. Enjoy lunch overlooking *Rano Raraku* before continuing along the east coast this afternoon. Visit *Ahu Te Pito Kura*, the “navel of the world,” and the restored *Ahus Nau Nau* and *Ature Huke* at Anakena Beach. After an incredible day of exploration, tonight is yours to spend as you wish. *Today breakfast and lunch will be included.*

Day 5: Easter Island (Rapa Nui)

Today's half-day tour begins with a drive up the extinct Rano Kau Volcano, one of the three volcanoes whose eruption caused the island to emerge from the sea. Take in views of the island and its geological features from the crater lake outlook. In the ancient ceremonial village of Orongo, learn about the birdman competition, a ritual seeped in local mythology, and take in views of the three islets off the coast: Motu Nui, Motu Iti, and Motu Kao Kao. Visit the area of Vinapu, where the *ahu* platforms show pre-Incan architectural influence. At Hanga Piko harbor, visit the restored *Ahu Riata*, then enjoy free time for lunch and to explore on your own. This evening, join your fellow travelers for a dinner celebrating your Easter Island adventure. *Today breakfast and dinner will be included.*

Day 6: Easter Island (Rapa Nui) - Santiago

As your time on Rapa Nui comes to an end, enjoy a relaxed morning, perhaps rising early to catch the sunrise. Later, leave the lore and mysticism of Easter Island behind as you catch a flight back to Santiago. Arriving this evening, transfer to your hotel for some rest and relaxation before you continue to Buenos Aires tomorrow. *Today breakfast will be included.*

Important Tour Extension Information:

The overall activity level of this extension is a level 3. This means walking and standing for longer periods of time (2-3 hours) isn't a big deal for you. You can navigate hills and uneven ground, climb into various modes of transportation (tuk-tuk, cable car, zodiac, etc.), and could possibly anticipate changes in elevation. Walking four miles over the course of a day is very doable as is climbing 3 flights of stairs. You can handle altitudes between 6,000 and 9,000 feet. You can expect some longer days balanced with free time. This level is not a fit for travelers that require mobility assistance devices.

This is a Hosted Extension. Enjoy a mix of time on your own and some planned tour activities. A local expert is available during part of your stay to guide you during scheduled activities and provide recommendations. In addition, your accommodations, daily breakfast, and any transfers to connect with your main tour are included.

Extensions are subject to availability and applicable charges at time of request.

We reserve the right to cancel this extension if a minimum of 4 travelers is not met to operate.
